

# More than just a museum.

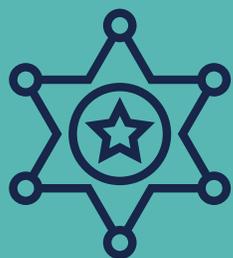

**Pella Historical Society & Museums** is a major contributor to Pella's economy.

Let's look at the numbers:

In an average year, the Vermeer Mill and Historical Village bring in **30,000 visitors**, and 12,000 more at Tulip Time.

Tulip Time, which has been organized and sponsored by PHSM since 1936, brings in around 250,000 people over the festival's three days. This is a **\$3.1 million boost** to the economy within a 30-mile radius.

Since restoring the historic Scholte House and expanding the gardens, we're now working on the **Wyatt Earp House**. This will be a destination for visitors from around the world, debuting at Tulip Time 2021 - which we are working to hold, one way or another.
