Archives/Collections Internship

Pella Historical offers meaningful work that will give you real “working life” experiences. Not only does interning at a non-profit give you great (resume-boosting) experience; it also shows future employers a dedication to community.

Description

May 2020-August 2020; 5-10 hours per week

- Complete basic readings on museum and archives work.
- Learn basic history of Pella and its early settlers, and important sources of this information.
- Learn PastPerfect museum software, which is used by large and small museums to accession and catalog objects, books, photos, textiles, and other materials.
- Use PastPerfect to scan and catalog photos, archives, and museum collection into the database.
- File obituaries, general historical information, and PHSM information.
- Assist with research questions that come into the archives.
- Learn how to properly store different types of archival and museum artifacts.

Best Majors for Position

- History
- Anthropology
- Education
